

LUXURY INTERIORS PAVILION

AT INDEX 2023

The Italian Luxury Pavilion at INDEX, is set to showcase an impressive range of products that combine functionality, comfort and style. With Italy accounting for 40% of the world's luxury furnishings market, it's no surprise that it has identified the region for a major sales push. The regional market is also benefitting from a massive rise in real estate development, private property ownership, and a local desire for high-end furnishings.

ABOUT INDEX

INDEX is the meeting place for the interior design and fit-out industry. Thousands of professionals attend every year to connect with global brands and manufacturers and discover the next big thing in interior design.

Transform your space with new trends and the latest innovations at INDEX. Experience awe-inspiring show features and hear from renowned figures of the industry at our enthralling conferences.
